**Conclusion**

1. This application is in condition for allowance except for the following formal matters:

Note the issues listed below.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

2. This application is objected to under 37 CFR 1.172(a) as the assignee has not established its ownership interest in the patent for which reissue is being requested. An assignee must establish its ownership interest *in order to support the consent to a reissue application required by 37 CFR 1.172(a)*. The submission establishing the ownership interest of the assignee is informal. There is no indication of record that the party who signed the submission is an appropriate party to sign on behalf of the assignee. 37 CFR 3.73(b).

A proper submission establishing ownership interest in the patent, pursuant to 37 CFR 1.172(a), is required in response to this action.

Note that the consent form was signed by Trak International. However, the 37 CFR 3.73(b) statement states that JLG Omni Inc. is not the assignee.

3. The amendments are not conformance with 37 CFR 1.173. Original unamended claims should not be re-presented, and new claims must be underlined in their entirety. All additions (including all limitations of all new claims) must be shown to have support in the specification. This especially applies to the amendment filed 8/2/05. The examiner notes and regrets that some of his earlier remarks may have resulted in all the claims being presented.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eric Culbreth whose telephone number is 571/272-6668. The examiner can normally be reached on Monday-Thursday, 9:00-6:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Paul Dickson can be reached on 571/272-6669. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
